"I think the problem Digg had is that it was a company that was built to be a company, and you could feel it in the product. The way you could criticize Reddit is that we weren't a company – we were all heart and no head for a long time. So I think it'd be really hard for me and for the team to kill Reddit in that way."

Bevaqasha v'shalom b'shem Y'shua. We worship Y'shua our Jewish Messiah who came and who died; who is risen and He is coming again. This is a Remnant community in the last generation that will see the fig tree parable in Matthew 24 come true of the Government of Israel, the Olive tree the religious symbol of Israel coming into revival (Romiyim 11) in the melo haGoyim (fullness of the nations). It is that stoniness, to a degree, has come upon Isra'el until the Gentile world enters in its fullness.

report[join](#) [r/JewConspiracy: JewConspiracy](#)

Brainwashed to follow the Talmud, Jews certainly are a subversive movement, and believe that "Even the best of the Goyim should all be killed", so are naturally attempting to create a Jew owned One World Government using their private ownership of the Federal Reserve / World Central Banking. Therefore, the Federal Reserve Central Bank must be abolished and a true National Currency adopted. Jews should renounce their Jewishship.

As Hebrew Universalists, we recognize the achievements of the Zionist movement, while being acutely aware of it's failures and wrongdoings. We believe a narrow minded and particularistic Jewish nationalism can only accomplish so much in regards to Jewish re-indigenization and the fulfillment of the mission of the Jewish people as a Ohr L'Goyim (Light unto the nations).

The purpose of this community is to draw attention to reddit's contributions to the growing problem of radicalization on social media. We call for moderators and admins to take responsibility for their roles in the memeification & normalization of bigotry, hate, and violence.

"Let not any one pacify his conscience by the delusion that he can do no harm if he takes no part, and forms no opinion. Bad men need nothing more to compass their ends, than that good men should look on and do nothing."
